LONSDALE
LONDON

**SS 2023
OVERVIEW**

It's all about the people.

We are grass roots, everything we do is rooted to our customers and what they represent. Being active plays an increasingly important role in people's lives, and is present in many different capacities.

Living an active life is what we promote, resulting in health and happiness. This mindset guides us to how we create our product, manage our company and service our customers.

Our aim is to sustainably deliver premium products at reasonable prices all the while never compensating on design or delivery.

We are an authentic British brand with forward thinking values.
